## WARRANTY STATEMENT

### STANDARD WARRANTY COVERAGE:

TCS' standard warranty covers parts replacement and repair labor risks and obligations on remanufactured transmissions and differentials nationwide, with unlimited obtained mileage, for one year.

**Authorized Repair Points** - Our nationwide warranty may be administered only by an authorized warranty repair facility. Call (800) 291-3451 for authorization.

**Exclusions** - Subject to conditions stated herein, TCS warrants the original retail purchaser thereof that its remanufactured products will, when used in a motor truck for on-highway or on/off-highway applications in the United States and properly installed and assembled on vehicles approved by the O.E.M. for such purpose, be and remain under normal conditions of use and operation free from failure due to defects in materials and workmanship from the date of sale.

This warranty covers parts and labor to repair or replace, at TCS' option, the failed TCS component. Units installed as replacements under this warranty are warranted only for the remainder of the original warranty period.

This warranty shall not extend to failures or damage due to improper lubrication or operation in excess of original design limitations, failure to follow normal published preventive maintenance guidelines of the O.E.M., abuse or damage by improper installation, casualty or shipment.

This warranty shall not extend to repairs for noise (including idle rattle), excessive operating temperature, transmission rear seal leakage, nor does it cover failures caused by engine, clutch, driveline; including transmission synchronizer pin breakage, or other truck components or systems.

This warranty does not cover failures caused by a worn, damaged or defective part of component mounted to the unit by the dealer or retail purchaser, including without limitation, the transmission end yoke.

All warranty claims shall be made to TCS and shall be supported by satisfactory evidence in respect of the conditions stated herein. As a condition precedent to the allowance of such claims, the component or assembly involved shall, if requested by TCS, be returned prepaid to TCS for examination.

EXCEPT FOR THE EXPRESS WARRANTY STATED HEREIN, TCS DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE FOREGOING IS THE LIMIT OF THE LIABILITY OF TCS, AND IS THE EXCLUSIVE AND SOLE REMEDY OF THE PARTY TO WHOM THIS DAMAGES, EXPRESSLY INCLUDING CONSEQUENTLY DAMAGES IS DISCLAIMED.

This warranty may not be changed or modified in any way except in writing by TCS.
